

CAMP WAUPACA REUNION GROUP, NFP

November 14, 2011

To the Wax Family:

This past summer Camp Waupaca celebrated its 60th anniversary with a reunion at Camp. Enclosed is a copy of a certificate we created to honor David Wax. The certificate was presented at the "Horseshoe," a meeting place in the center of camp, where we explained who and what the Dave Weiner award was and how it was created.

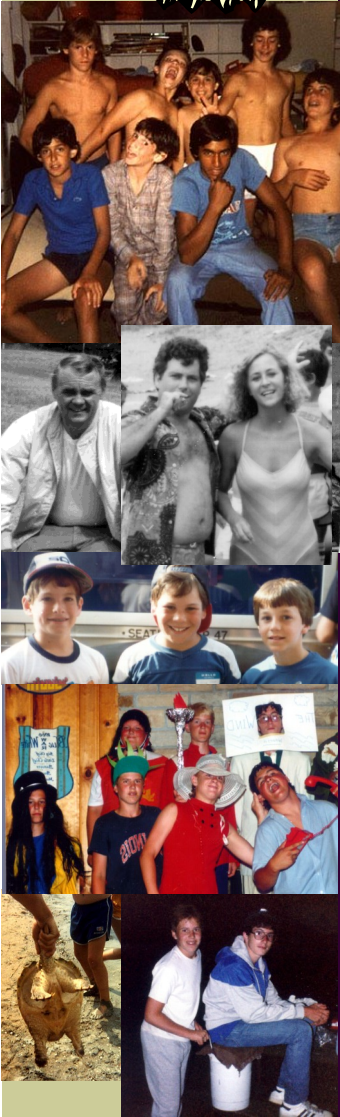

David Wax was well loved by nearly everyone who knew him and when we made the presentation there was a warm and unanimous show of support. Several speakers rose to the occasion to mention David. In 1975, David received the coveted "Camper of the Year" award. This was a successor to the Dave Weiner Award thus the award given in 2011 was even more significant as we obtained permission from Dave Weiner to award it posthumously.

For your information we also enclose the history of the award and hope you will find solace in the fact that his memory is, and will always be, a blessing for campers, counselors and staff of the Camp Waupaca family.

Sincerely,

Paul Warshauer
Big Chief of the Waupaca Tribe
