

FOR BOYS

**6 - 16 YEARS
OF AGE**

CAMP WAUPACA

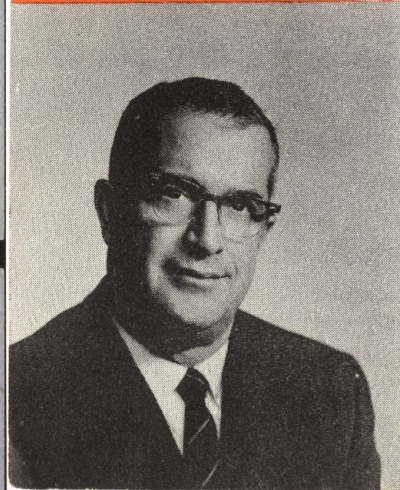

**ON WOODED
STRATTON LAKE
IN THE
CHAIN O'LAKES COUNTRY
WAUPACA, WISCONSIN**

"SKIPPER"

"MR. G."

Camp Waupaca is the right camp for a boy because: Its owners and directors are rich in educational background and wide **CAMPING EXPERIENCE**

IRVING "SKIPPER" KUKLIN (Director and Co-owner) — Over twenty years of camping experience. Graduate of the University of Nebraska with a Bachelor of Science degree in education. Graduate work in fields of Education and Camping Administration.

At present head of Physical Education Department Avoca Junior High School, Wilmette, Illinois.

Former tennis champion at the University of Nebraska.

American Red Cross Water Safety and First Aid Instructor.

Former Scoutmaster.

Member American Camping Association.

LORETTA KUKLIN (Mrs. Irving Kuklin) — Bachelor of Science degree, department of psychology, University of Chicago.

Graduate work in education.

Teacher Lakeview High School, Chicago.

NATE "MR. G." GREENBERG (Co-owner and consultant) — Twenty-five years of camping experience.

Graduate of the University of Illinois and Chicago Teachers College.

At present Physical Education and Health teacher with the Chicago Public Schools.

Vice-president University of Illinois Physical Education Alumni Association.

American Red Cross Water Safety and First Aid Instructor.

Owner and director **TRAVELAIRE RANCH DAY CAMP**.

Member American Camping Association.

AT WAUPACA — We have one of the finest locations in Wisconsin: Seventy-one acres of beautiful land, wooded and well drained. A thousand feet of shoreline on a clear spring-fed lake, well stocked with fish. Two hundred miles from Chicago. (about 4½ hours' drive on excellent highways) Seven miles from Waupaca, Wisconsin, a town of 4,000 people.

STAFF — Our staff is mature. It includes men with teaching experience and advanced degrees as well as recent college graduates and college students. Their areas of specialization are music, arts and crafts, liberal arts, science, and physical education.

PROGRAM — A fine balance between physical and other creative and educational activities is maintained throughout the day. All campers, regardless of their respective levels of achievement, are given the opportunity to participate on teams and to perform. There is a wide choice of classes and fun.

HOUSING — Living accommodations are sturdy and comfortable. Cabins are double-floored, insulated buildings with washrooms and showers. Facilities are modern and convenient: hot and cold water, flush toilets, electric lighting.

HEALTH & SAFETY — Hygiene is of prime importance. Safety is vigorously guarded. A trained nurse on premises and a Waupaca physician on staff assure health protection.

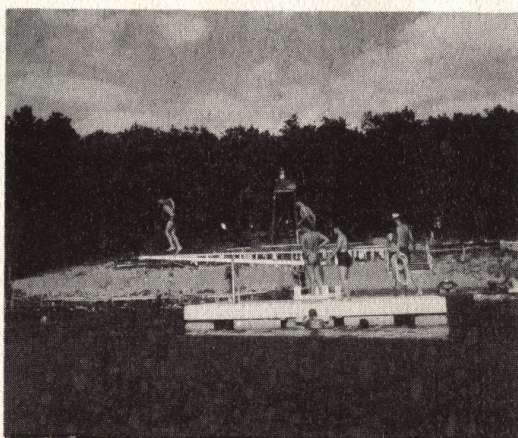

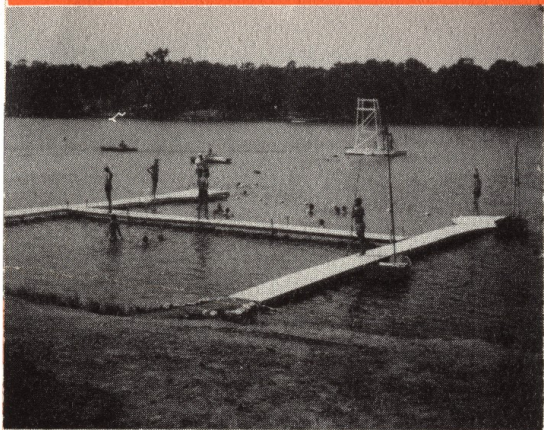

AT THE WATERFRONT — We firmly believe every boy should become **PROFICIENT BOTH IN AND ON THE WATER.** Therefore, it is mandatory that **EVERY CAMPER** learn to swim well and handle a boat.

Each boy gets a **DAILY SWIMMING LESSON** by American Red Cross Water Safety Instructors. Swimmers are encouraged to earn their Red Cross certificates in Life Saving.

A boy must be a deep water swimmer to enjoy one of the most popular water sports at camp, **SKIING.**

BOATING, CANOEING, AND SAILING are taught. All safety precautions are observed, including the wearing of life jackets in boats or on skis at all times.

ON LAND

Campers develop physically and socially as they learn skills, sportsmanship, and how to compete.

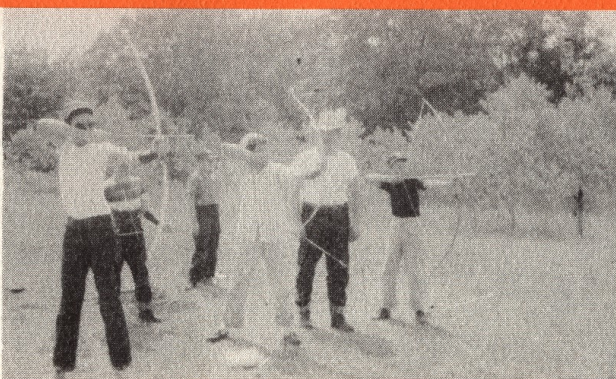

A wide choice of activities is offered.

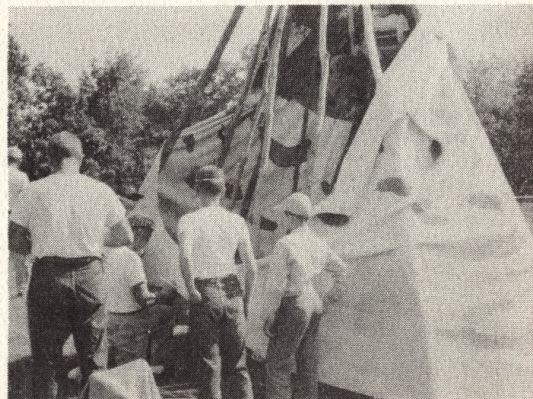

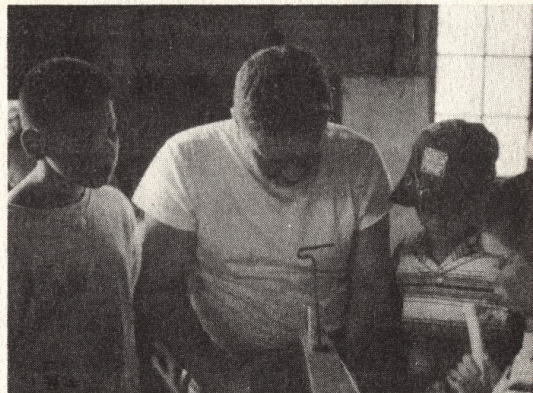

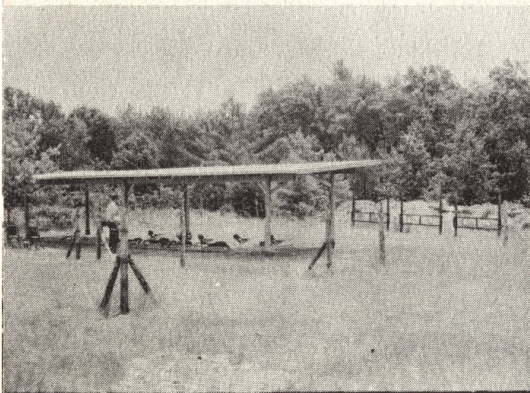

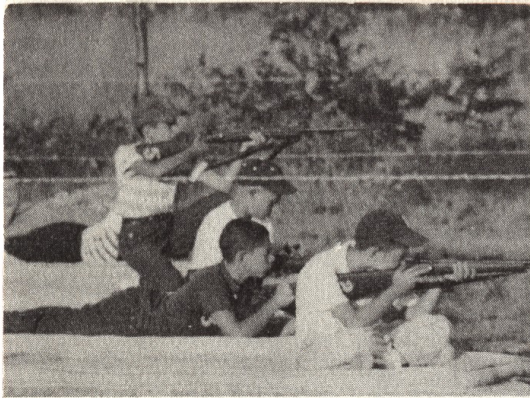

ARCHERY
SOFTBALL
LITTLE LEAGUE
BASKETBALL
TENNIS

TRAMPOLINE
CAMPCRAFT
CAMPING TRIPS
HIKING
NATURE STUDY

MUSIC
RIFLERY
GOLF
TOUCH FOOTBALL
SOCCER

DRAMATICS
ARTS & HANDCRAFT
BADMINTON
PING-PONG
HORSEBACK

AT THE RIFLE RANGE — We have one of the most popular activities. Skills and safety are taught by certified National Rifle Association Instructors. Campers are awarded proficiency certificates, since Waupaca is a member of the N.R.A.

IN OUR DRAMATICS PROGRAM — Plays each week are highlights at camp. Excellent productions are the rule rather than the exception. Musicals are popular. Parents look forward to seeing their sons perform before the footlights.

'ROUND THE CAMPFIRE — Indians dance, tales are told, and skits are portrayed. As the sun sets over the lake, the dying embers of the fire flicker, and the songs come to an end with the boys joining in "We're All Good Fellows," and "Day Is Done."

IN THE CRAFT SHOP — Original projects in many media are encouraged: Indian craft, wood-work, painting, ceramics, and leather.

IN OUR CAMPING PROGRAM — EVERY BOY is given several opportunities to go on overnight camping trips. Learning to live in the out-of-doors, under the stars, is a long remembered experience.

JUST SOME OF WAUPACA'S FACILITIES

OUR REC HALL

Center of camp indoor activities. Movies, rehearsals for plays, a library, and a cozy fireplace in case of cool weather. Ping pong, checkers and chess, with champions crowned at the end of the season.

OUR CAMPCRAFT TRAINING SITE

Our outdoor campfire site where the fires blaze. A campsite on our own grounds. Here boys learn to pitch a tent, cook and sleep out in preparation for the overnight camping and canoe trips.

OUR REC HALL

DINING HALL

CAMPCRAFT TRAINING SITE

LIVING QUARTERS

OUR DINING HALL

Where the boys dine in a spacious, well-lit building. Good food, like good counselors, is a basic part of Waupaca tradition. Well-rounded meals are prepared and served by experienced cooks. Music and songs are an integral part of every meal.

OUR LIVING QUARTERS

Spacious, well-built and comfortable. All cabins have washrooms and showers, hot and cold water, flush toilets, and electric lights. Seven to eight boys live in a cabin with two counselors.

IT'S REAL FUN AT CAMP WAUPACA
