

Waupaca Herald - Express. SUPER SUNDAY EDITION

Vol 10 #2 JULY 8, 1979

AP, UPI, Sam & Hy's, FLASH! Programming has been fantastic this year as the second week of camp comes to a close. The Red, White & Blue Track meet seemed to be a great success last night on the mighty soccer fields of the Waupaca Sports complex.

Thursday saw Cabins 5, 7, & 9 into town for exciting Championship Bowling, pizza and an always popular visit to the Dairy Queen!

Wednesday the camp competed in a mammoth SPY vs SPY competition that made everyone color blind. "Where's a blue counterspy?" or "where do we find the frisbee toss?" were questions echoing on the playing fields. After the spys caught everyone else's counterspys and the nurse got a chance to relax the camp was entertained by a multi-dollar extravaganza of fireworks on the waterfront. Mssrs. Desnet, Lurie, Garowitz, Gumpert, Moran & Warshauer, & Stoltz were kind enough to risk life and limb to present an outstanding fireworks display that rivaled the explosions of old Pompeii.

And last night a big softball game between the Star Wars Teams rounded out the week. The cast of the play was treated to a special VIDEO-Screening of the 4th of July play, Shuzzbutt, the Revolution! in the mess hall with pizza afterwards.

CAMP SINGS AGAIN!!! By Anita Scales

With the help of Florence Woolsey, Camp Waupaca has once again filled the hallowed halls of the mess hall with song. Titanic, Green Grow the Rushes, Rise and Shine are amongst the camp favorites. If you have requests, see Froggy.

SPAGAT CELEBRATES...His Tummy Re- By Adam Fleischer

On July 4th, our own Camp Waupaca's Jeff Spagat was competing in a physical fitness testing program. He was doing average until he came to the sit-ups.

When he had finished, he had completed 1,100 sit-ups: A new camp record!

Jeff's new motto is "a thousand and one are really fun!"

CRYSTAL RIVER TRIPS A BLAST! By Ken Lapins

The Crystal River trips are most enjoyable; I went with Cabin nine to report for the Waupaca Herald Express, Sunday Edition.

Going on the rapids in a playak is pretty fun especially for the first time. When cabin 9 went down the river they bumped into a whole bunch of people in inner-tubes, crashing into them from all sides.

Wayne Towne, camp tripping director has been at camp for 23 years and has helped many campers to have a good time on all trips. Wayne tells us that all cabins will have a chance to go on the playak and also overnight trips as well.

Joel Feinstein's Interview of a HORSE

Joel: Here I am at the Black Saddle Stables interviewing Major while I am riding him. Excuse me, are there any other horses at the stables?

Major: Yes, there are others. Candy, Gypsy, Gin, Booger, Susie, Shawnee, Fanny, Toudon, Red, and a lot more.

Joel: How does it feel to be a horse?

Major: Well, it hurts when people kick me and pull my reigns at the same time, but otherwise its ok.

Joel: Do you like giving people rides?

Major: Only when the people are nice and not mean to me.

Joel: How does it feel to be kicked?

Major: Well, the day after people kick me my muscles tighten up and it hurts when I run.

Joel: Uh,..do you like to gallop?

major: Yes, very much.

Joel: Well, thank you for letting me interview you and it was a nice ride.
