Dear Camp Waupaca Alums:

Sue and I were very excited to hear of your reunion plans for the Labor Day Weekend and hoped to be able to be with you for the fun and great memories shared there. We had Red Arrow's 75th reunion last summer and it was awesome!

Memories of Camp Waupaca, are still with us since we feel that our start as camp owner/directors all began with Skipper and the gang at Waupaca! So much of those years are still a part of us - I begin every morning with the bell ringing and - "It's a beautiful day at Red Arrow!" and all of our all camp meetings end with the singing of taps and then our camp song - "Big Campfire"...no, we don't sing the Stratton Lake song since we do have a lot of our own but those memories are there. Names like Skipper, Chuck Cooper, Wayne Towne, Herb Beller, Barry Shanoff, Al Sorkin, Gary Rand, Ricky Singer, Terry Rifkin, Steve Kuklin, Larry Rosen, Marc Ringel, Mitchell Ex, Wally Tomchek, Ann Towne, Bob Mowen and so many others come to mind along with special times like Olympics (which we still celebrate at RAC), Frank Buck Day, Gold Rush Day, Brave selection in the Brave Ring and the mysterious fire, Blue-White War with the "Watermelon Cheer" every meal, the Super-Duper Relay, competition with other camps, the play, Chuck Cooper's wonderful stories around the campfire circle, Cabin Nights all over the area, the madness of Parent's Weekend and skiing on Stratton Lake - pull away from the dock and keep turning hard left - how many revolutions our ski people did in a day?

Yes, camp has many memories and that is what camp is all about - friendships, fun, adventure in a boy's world and now you are all gathering once again. Soon your muscles will be aching from trying to be campers again but your weekend will live in your memories for many years to come. "Stratton Lake" will resound at your banquet but I still remember the song we sang before taps - "We're all good fellows - each one the other's friend, we'll be good fellows until this day will end and while we're together let's give a little cheer - good luck to all good fellows and to those we hold so dear"...Enjoy your times together - Sue and I will be with you in spirit, sharing your joy!
